Capital Market Education & Training Division

The primary objective of the Capital Market Education & Training Division (CMET) of the Securities and Exchange Commission of Sri Lanka is to provide professional level education for the development of the capital market of Sri Lanka. The CMET combines multifaceted approach which combines education, research and advisory services.

The CMET introduced a new qualification framework for financial sector professionals taking into account the important changes the Sri Lankan capital market has been facing in the recent years. The Diploma in Capital Markets (DCM) is the third stage of the qualification framework which provides advanced knowledge on capital market theories and financial products. Obtaining this qualification will pave the way for middle and higher level capital market professionals to enter into the areas of Banking, Stock brokering, Money brokering, Fund management, Investment banking, Corporate financing, Venture capital, Insurance and Finance, Accounting, Financial consulting etc.

Student Support

Classes are conducted by an expert panel of lecturers drawn from the academia and industry. The students will additionally be supported by review sessions and one-on-one support methods. Attendance at lectures is not compulsory.
